Ayer's Sarsaparilla

It is a concentrated extract of Para Sarsaparilla, so he has received for the last five years, hoping for a concembined with other substances of still greater tinuance of the same to increase his business, having alterative power as to afford an effective antidote more accommodations in his new premises, with the hope for the diseases Sarsaparilla is reputed to cure. to give sausiaction as it is business, he well experienced in all the branches of his business, he It is believed that such a remedy is wanted by feels confident that all work entrusted to his care will be those who suffer from Strumous complaints, and | done by experienced workmen from Paris. that one which will accomplish their cure must prove of immense service to this large class of our shades. ANTHONY'S CLEANING AND DYEING FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of the remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will
strive to rid itself of corruptions, if not assisted to
do this through the natural channels of the hold.

Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great ma-

chinery of life is disordered or overthrown. Sarsaparilla has, and deserves, much the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or anything else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which food the market, until the name itself is justly despised and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall resthe name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the

UNION DEMOCRATIC PLATFORM. ADOPTED IN STATE CONVENTION JANUARY, S, 1862.

WEXARAS, The Democratic party having, from the date of its organization, been in favor of the maintenance of the Union and the preservation of the Constitution, and seeing in the present condition of the country the depicrable effects of a departure from its time honored and conservative principles, and the triumph of sectionalism; and firmly believing that the Union and the Constitution can be preserved alone by the restoration of that party to power, we invite all true Union men throughout the land to unite with us in sustaining its organization and carrying out its principles:

its organization and carrying out its principles:

Resolved, 1. That we reaffirm and endorse the political principles that from time to time have been put forth by the National Conventions of

2. That we are unalterably attached to the

Constitution, by which the Union of these States

was formed and established; and that a faithful

observance of its principles can alone continue the existence of the Union, and the permanent

3. That the present civil war has mainly re-

sulted from the long continued, unwise, and fa-

natical agitation, in the North, of the question of

domestic slavery, the consequent organization of a geographical party, guided by the sectional platforms adopted at Buffalo, Pittsburgh, Phila-

delphia, and Chicago, and the development there-

by of sectional hate and jealousy, producing (as

had long been foreseen and predicted by us) its counterpart in the South of secession, disunion,

and armed resistance to the General Government,

and terminating in a bloody strife between those

who should have been forever bound together by fraternal bonds, thus bringing upon the whole

country a calamity which we are now to meet as

loyal citizens, striving for the adoption of that

mode of settlement best calculated to again re-

4. That in rejecting all propositions likely to

result in a satisfactory adjustment of the matters in dispute between the North and the South, and

especially those measures which would have se-cured the border slave States to the Union, and a

hearty co-operation on their part in all constitu-

the more Southern States to their allegisnce, the

Republican party assumed a fearful responsi-bility, and acted in total disregard of the best in-

5. That if the party in power had shown the

same desire to settle, by amicable adjustment,

our internal dissensions before hostilities had ac-

tually commenced, that the Administration has

recently exhibited to avoid a war with our an-

cient enemy, Great Britain, we confidently be-

lieve that peace and harmony would now reign

6. That the maintenance of the Union upon

the principles of the Federal Constitution should be the controlling object of all who profess loy-

alty to the Government—and in our judgment this purpose can only be accomplished, by the

ascendency of a Union party in the Southern

States, which shall, by a counter revolution, dis-

place those who control and direct the present re-

bellion. That no effort to create or sustain such

a party can be successful which is not based upon

a definite settlement of the questions at issue be

tween the two sections; and we therefore demand

that some such settlement be made by additional

constitutional guaranty, either initiated by act of

Congress or through the medium of a National

7. That the Republican party has fully demon-strated its inability to conduct the Government

8. That we are utterly opposed to the twin heresies, Northern sectionalism and Southern

secession, as inimical to the Constitution; and
